RESUME SUMMARY

I am a passionate Computer Science undergraduate skilled in Python, SQL, and web development, with hands-on experience building interactive applications. I aspire to create innovative software solutions that leverage my programming skills and practical knowledge to make technology accessible and efficient.

PERSONAL DETAILS

Current Location	Ongole
Date of birth	July 3, 2006
Gender	Female

EDUCATION

Graduation	B.Tech / B.E. (Computer Science and Engineering (CSE)) QIS College of Engineering and Technology, Prakasam with Score 8.2%
Class XII	Andhra Pradesh with 81% in 2023
Class X	Andhra Pradesh with 91% in 2021
Certification Course	Python Essential1 (May 2026 - Present)

INTERNSHIPS AND PROJECTS

Projects	Weather App (Duration May 2026 - May 2026) This is a simple Weather App developed using Python and Weather API integration. The application fetches real-time weather details like temperature and weather conditions for the entered city. This project helped me understand API usage and improve my Python programming skills. Weather App (Duration May 2026 - May 2026) This is a simple Weather App developed using Python and Weather API integration. The application fetches real-time weather details like temperature and weather conditions for the entered city. This project helped me understand API usage and improve my Python programming skills. Number Guessing Game (Duration May 2026 - May 2026) Developed a fun Python game where users guess a random number with score tracking and interactive messages. portfolio (Duration April 2026 - June 2026) Created a personal portfolio website using HTML and CSS to showcase my skills, projects, and contact information with a clean responsive design. Skills used - HTML,CSS,JavaScript
